Points to note:

- **All trainees attending the session in person will need to do a Lateral Flow Test on the morning of the training day**
- The programme is subject to change depending on the COVID-19 lockdown rules at the time
- Social distancing has to be maintained in the respective areas at all times
- Face masks **must be worn at all times** during the training day (for trainees present in person)
- Trainees who are in Morriston Hospital will have to arrange for their own lunch. Costa Coffee and WH Smith are available but subject to changes in rules at that time.
- TEAM meeting link will be sent to all (trainees and faculty) closer to the time
